Opposition No. 91125615

Serial No. 75/358,031

**OPPOSER'S NOTICE OF RELIANCE NO. 24 FOR THIRD PARTY FEDERAL  
TRADEMARK REGISTRATIONS**

Opposer the University of Southern California ("Opposer" or "California") hereby introduces into evidence by Notice of Reliance the following third party federal trademark registrations and associated status and ownership information.

To the extent that any evidence of third party practice is relevant in this matter, the attached evidence provides examples of the numerous educational institutions which have applied for and received registrations in either "typed form" or as "standard character marks" for initials for use with collegiate goods and services sponsored by or affiliated with the respective institutions.

A party to an inter partes proceeding before the Board may introduce official records including third party trademark registrations as part of its evidence in the case by means of a notice of reliance. TBMP § 704.03(b)(1)(B) (citing 37 CFR § 2.122(e) and TBMP § 704.07). In lieu of the actual official record, the TBMP also provides that a plain copy of the registration itself or the electronic equivalent thereof, that is, a printout of the registration from the electronic

records of the USPTO's trademark automated search system, may accompany the notice of reliance. *Id.*

Attached as Opposer's Exhibits 407-418, are true and correct copies of the following third party registrations and associated status and ownership information, printed out from the electronic records of the USPTO's trademark automated search system:
